

welcome to aramex ireland

Welcome to Aramex Ireland, a part of the worldwide Aramex International group of companies, which employs over 8,600 people in 300 offices across 55 countries and 200 major cities around the globe.

With centres in Dublin, Cork, Shannon and Belfast and with a network of facilities across the UK, Europe and the world, we are one of the leading providers of domestic and international Freight Forwarding, Logistics, Warehousing and Distribution Solutions in Ireland. Our operations have been expanding here in recent years and we currently employ over 120 people across the island.

The global nature of our operations is hugely advantageous to our Irish clients as it allows them to swiftly, reliably and cost effectively distribute their products and services to literally any destination in the world.

Aramex is dedicated to 'delivery unlimited', a concept that best articulates our business philosophy and underpins our commitment to service excellence. Aramex is a fully signed up member of the IRHA, IIFA and IATA national and international transport associations.

air freight services

Aramex offers a global and cost-effective solution for all of your air freight needs. Through a worldwide network spanning the four corners of the globe, our teams of cargo professionals provide global services and local expertise to ensure complete door-to-door transportation and smooth Customs Clearance at all times. Our state-of-the-art technology and network of offices around the world allow total traceability and visibility of your shipments from the moment a job is booked until it is delivered to its final destination.

Our Air Freight Services include:

- Air freight forwarding
- Direct air services to and from over 200 countries
- Full customs brokerage services including fiscal representation and duty management
- Hazardous cargo handling
- Art / high value goods movement
- Personal effects packaging and crating

Multi-Modal Transportation

Aramex employs various modes of transportation to get your shipment delivered to its ultimate consignee. As a world-class provider of total transportation solutions, we can mix modes of shipping for your goods so that they reach their destination conveniently and cost-effectively. Inter-modal transportation has proved to be a cost-effective and an innovative solution to certain product lines.

Wholesale Co-Loading

For freight forwarders who do not have agents within the Middle East, South Asia and Eastern Europe, Aramex makes its network available for providing origin or destination services to include consolidation, co-loading, customs clearance, freight charges collections etc.

Charters / Specialised Deliveries

For specialised deliveries that must move quickly and/or exclusively in one lot, Aramex can also provide chartered aircraft services to any destination in the world.

ocean freight

Aramex currently provides a comprehensive range of time efficient and cost-effective ocean freight forwarding services and capabilities to and from Ireland.

Our ocean freight services are designed to ensure the smooth progress of your cargo through full integration of the process, from initial collection to final delivery.

Our Ocean Freight Services include:

- FCL & LCL to and from all major markets
- Global cargo consolidation programmes
- Customs clearance and door delivery
- Container stripping / break bulk
- Full customs brokerage service and customs liaison
- Fiscal representation
- Real time information systems - including online shipment advice
- Cross dock management
- Ireland North Atlantic Line -
our NVOCC gateway to the US and Canadian markets
- Temperature sensitive cargo management

The strategic development of our ocean freight infrastructure has allowed us to expand our range of logistics and supply chain management services to include food products, pharmaceuticals and high-end art movements.

Aramex's existing portfolio of blue chip Irish exporters and importers are seeing the time and cost benefits our ocean freight capabilities have brought. So whether you require import or export services, consolidated or project cargo, Full Container Loads (FCL) or Less Than Container Loads (LCL), we are on hand to tailor make the optimum solution for you.

project management services

Aramex International's truly global network allows us to offer our Irish customers a remarkably flexible delivery service. Our solutions are designed to remove the hassle that many customers associate with international trade and allow them to concentrate their efforts on what they do best.

Within the Aramex group our experienced team of Project Management professionals work tirelessly to ensure the successful and smooth transition of every bespoke delivery. Aramex has spent many years developing and perfecting its project management expertise and has co-ordinated, implemented and managed hundreds of dedicated projects for many world class companies.

Our Project Management Services include:

- Outsourced fleet and warehouse management services
- Fine Art / High value goods movement
- Electronic Records Management
- Industry specific delivery solutions including Automotive / Pharma / Medical devices which incorporates standards such as IMB and AEO

Cool Chain Management: Aramex Perishables is a separate unit handling all types of perishable products such as cut-flowers, fresh meat, dairy products, chocolates etc. This unit employs pioneering cool chain management procedures that maximise the retail shelf-life of products through state-of-the-art temperature monitoring, cooling techniques and on-time deliveries to retail outlets.

aramex express services

With Aramex Express you can ship your packages and parcels - irrespective of size - door-to-door, to anywhere in the world. Aramex offers a range of reliable international shipping solutions to meet your needs, allowing you to balance cost-efficiency with safe and speedy delivery.

Priority Express

With Aramex Priority Express, all your documents or parcels will be

swiftly shipped and attentively cleared through customs to arrive on time to any global destination.

Value Express

Our Aramex Value Express is designed to enable our customers to benefit from a more cost-efficient express delivery service. If speedy delivery is less of a consideration, you can use Aramex Value Express to send your parcels at more economical rates than the premium Priority Express service.

Both Aramex Priority Express and Value Express Services:

- are time-definite delivery solutions
- guarantee door-to-door delivery
- allow for real-time tracking of information
- provide customers with *Proof of Delivery* and automatic delivery notifications by email
- include customs clearance

supply chain management solutions

An effective Supply Chain Management (SCM) process holds the key to any organisation's continued success and expertise in SCM is one of Aramex Ireland's core competencies. We combine our local know-how, state-of-the-art technology and international best standards to provide our customers with a comprehensive solution to all their warehousing, logistics and distribution requirements, be they local or global.

Our highly skilled account managers are the experts at maximising the efficient flow of your products right through the supply line, from suppliers to the manufacturer and from retailers to the final customer. By implementing your requirements more efficiently, our customised solutions can reduce your inventory costs, increase your transaction speed, and improve your overall sales.

Powered by the very latest technology, we address your storage and inventory management needs while providing real-time visibility at all levels to help you control your stock levels, streamline purchases and improve your order cycle time.

In Ireland we operate fully-secured storage and distribution facilities at our Dublin, Cork, Shannon and Belfast centres which, combined, comprise over 200,000 square feet of modern warehousing space.

integrated logistics & transportation solutions

We at Aramex Ireland pride ourselves on the fast, responsive and cost efficient service that we have provided to our valued clients for more than twenty-five years.

We offer a comprehensive range of services that allow you to outsource all your transportation and logistics needs to one delivery partner. We ensure the smooth flow of all your transactions, "saving you time and effort" so you can focus on the core issues of your business.

Our comprehensive range of services includes:

- Logistics and Supply Chain Management Solutions
- UK / Ireland Next Day Express Delivery
- European Express Road Services
- International Air/Ocean Freight Forwarding
- International Express Parcel and Mail
- e-Commerce Services

Having your logistics and freight management functions managed by Aramex brings real benefits. It gives you better control of your freight costs while keeping you up-to-date on the status of your delivery every step of the way. Crucially, it also affords you the peace of mind of knowing that your warehousing, logistics and distribution requirements are being securely, safely and cost-effectively managed on your behalf by a global leader in the field.

The overall result is that your products, get where you want them to go cost-effectively and on time, every time.

eCommerce with aramex

eShopWorld

If you are an online retailer looking to broaden your international reach and grow your e-commerce revenues, our eShopWorld service may be just the thing. By relying on our global infrastructure, eShopWorld allows you to cost effectively market, sell and fulfil all your orders worldwide via the internet.

eShopWorld ensures that:

- customers pay only once for all transaction and delivery charges (including customs and shipping) at the online checkout
- all the logistics are taken care of with delivery to your customer's door
- returned goods and refunds are handled via our returns management service, in case of any problems.
- both retailers and customers have full visibility of all transaction costs associated with online purchases

eShopWorld takes all payment and currency risk on international sales by guaranteeing payment to the retailers in US dollars.

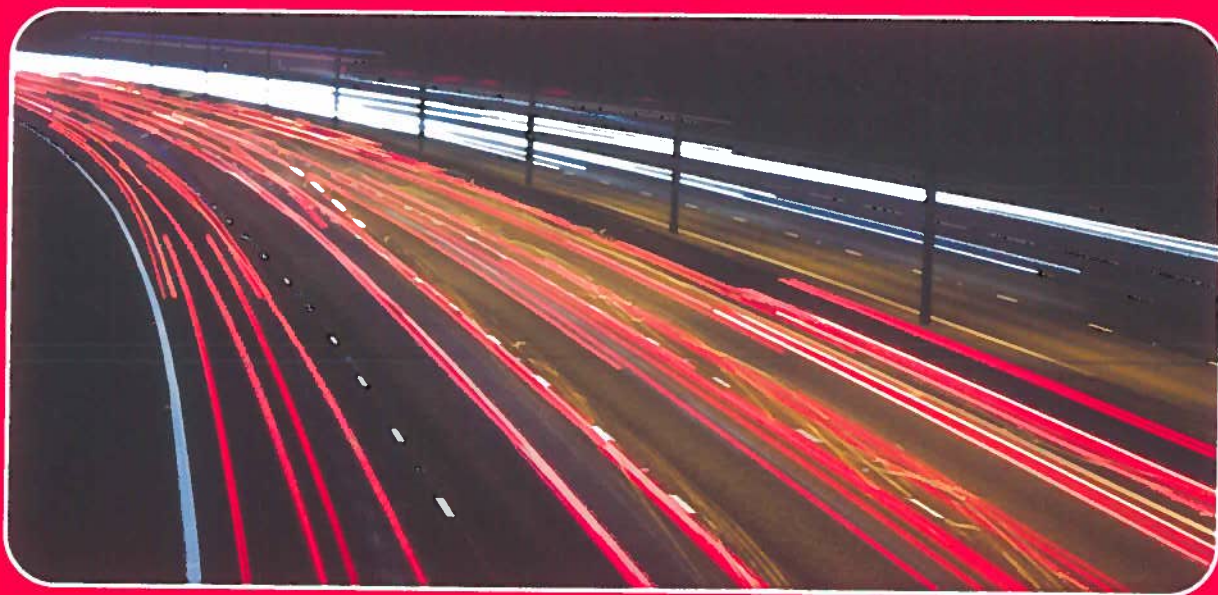

eShopWorld also takes over the responsibility for fraud detection and payment processing - guaranteeing payment to the retailer.

eShopWorld works alongside your existing e-commerce systems and simply integrates into your platform and processes, complementing your current infrastructure.

eShopWorld makes life easy and keeps costs down!

european express road freight

A leader in the field of European road freight delivery, Aramex has one of the largest and most advanced land freight networks in Europe. Our strategically-located terminal hubs in the UK, France, Belgium, Germany, Italy and Scandinavia enable us to meet all your continental and Scandinavian delivery requirements speedily and cost-efficiently.

Our modern fleet of driver road vehicles are fully equipped with state-of-the-art GPS tracking technology, which allows us to provide the fastest and most efficient road freight service to all our customers.

Aramex provides a host of daily driver accompanied services connecting with the major European markets. Our daily round-trip services from our hubs in Cork, Shannon, Belfast and Dublin, for example, allow us to deliver to and from the Rhine Valley within 48 hours.

Our unique European Express Road Freight Services also include:

- Groupage services specialising in the movement of express cargo to / from Europe
- Ambient and temperature controlled deliveries
- Hazardous consignment handling
- Guaranteed timed deliveries
